We transmitted the original views letter on this subject to the Office of Management and Budget (OMB) for clearance. OMB objected initially and we engaged them in discussions on the matter. The attached letter is the compromise resulting from those discussions.

Representative Hawkins' office has asked that they receive this letter by close of business, Wednesday, December 11, 1985 as they have been given clearance to go to the House floor with the bill on Thursday afternoon, December 12, 1985.
